Subject: RM 10.9 QAPP - Revised Porewater SOPS
20130228 LPR Porewater Details.docx

Stephanie:

The CPG has modified the Porewater SOP by removing the filtration step and replacing it with a 72 hour settling period after which pore water will be decanted and analyzed.

The CPG is ready to proceed once you have reviewed and approved the attached revised SOP.

Please contact us with any questions.

Thnak you.
